

FOREVER BROADCASTING

JOB POSTING

Webmaster

Job Position: Webmaster (Altoona, PA)

Description: You think inside the box, and outside of it. You appreciate today, but are hungry for tomorrow. You look at a website and see ways to make it better. You don't just understand the web, you eat, sleep and breathe it. Now you just need someone to pay you for your passion, that's where we come in.

Forever Broadcasting is looking for you. We don't have your number yet, so you need to contact us, WEBJOB@FOREVERRADIO.COM. This is a webmaster position that will put you in the hot seat of our 33 websites. We're not just looking to maintain, we're looking to create, engage, and deliver creative content to the community.

Skill assets include computer networking, human networking, and the confidence to sell. Skill essentials include knowledge of Drupal, graphic design abilities, organization, hunger to deliver, and a positive attitude.

Work for a leader, be a leader, be our new webmaster. Send your resume to WEBJOB@FOREVERRADIO.COM. This is a full time position with salary and benefits. You want this job, and we want you!! WEBJOB@FOREVERRADIO.COM.

**Forever Broadcasting is an Equal Opportunity Employer.*
